## ABOUT US

Setuckmarie Technical Service LLC is a mission-focused government contracting firm delivering specialized technical, administrative, and operational support services to federal, state, local, and commercial clients. We provide expertise across defense support services, media production, management consulting, administrative operations, and automotive maintenance, enabling organizations to efficiently meet mission objectives and operational requirements.

Our team is committed to delivering reliable, high-quality solutions that emphasize professionalism, responsiveness, and performance. By combining multidisciplinary capabilities with a customer-focused approach, we adapt to evolving project demands while maintaining strict standards for quality, safety, and accountability. Setuckmarie Technical Service LLC strives to be a trusted partner that supports agency missions through efficient service delivery, dependable execution, and a commitment to excellence.

## WHY CHOOSE US?

### Multi-Disciplinary Capabilities

Provides integrated technical, administrative, operational, and media support services, reducing the need for multiple contractors and simplifying project management.

### Government-Focused Support

Understands the performance, compliance, and reporting requirements associated with federal, state, and local government contracts.

### Operational Flexibility

Adapts quickly to changing project requirements, mission priorities, and contract objectives while maintaining quality and efficiency.

### Professional Project Management

Applies organized planning, coordination, and oversight to ensure timely execution and successful project outcomes.
